Objective

Motivated Information Technology student aiming for software development roles to apply skills in real-world projects, collaborate effectively, and grow in the tech industry.

Experience

- Software Development Club, KCE** March-2024 - Till Date
Development Team Head
Class Representative for 3+ years
Mentored members to complete projects on time
- InternPe (Remote)** 09-06-2024 - 11-07-2024
Web Developer Intern
Built responsive UI with HTML, CSS, JavaScript
- Octanet Pvt. Ltd. (Remote)** 03-09-2024 - 05-10-2024
Python & Java Intern
Created tools using Flask, file handling, and DB integration

Education

Course / Degree	School / University	Grade / Score	Year
HSLC	Sacred Heart Matric Higher Sec School, Valparai	88%	2022-2023
B.Tech - Information Technology	Karpagam College of Engineering, Coimbatore	CGPA-8.4	2023-2027

Skills

- Languages: Python, Java, C, HTML, CSS, JavaScript, SQL
- Frameworks: Flask, Spring Boot, Bootstrap
- Tools: Git, VS Code, Postman, Eclipse IDE, Firebase
- Databases: MySQL, Oracle SQL XE
- Other: REST APIs, Responsive UI, File Handling, CSV Logging, PDF Generation
- Soft Skills: Leadership, Team Collaboration, Problem Solving, Fast Learning

Projects

- Campus360 - College ERP System**
Tech: Python Flask, MySQL, HTML/CSS, Bootstrap
Modules: Leave requests (PDF signature), feedback, room booking, attendance
- WildAlert360 - Wild Animal Detection System**
YOLOv8-based animal detection with alerts via voice/SMS/email; dashboard monitoring
- Password Strength Checker Extension**

Real-time password strength evaluation using JavaScript and Bootstrap UI

Languages

- Languages Known Tamil (Native), English (Fluent), Malayalam, Hindi (Conversational)

Additional Information

Music composition (keyboard), drawing, public speaking
Fast typing, adaptable, team-friendly, proactive
